

All About Bloodhound Education

We are looking forward to meeting you when you come to our HAF activities. Below is some more information about us and what we do so you can have a better idea of what to expect at our family engineering fun workshops.

Who are we?

Our workshops are led by Pam and Rob, who are supported by our Bloodhound team and ambassadors. If you have any questions or worries during the day, they are there to help you.

Hi! I'm
Rob

Hi! I'm
Pam

Where are we?

We will be at The King's School, Pitt Street, Gloucester, GL1 2BG for our activities.

Accessibility Information

- There is free parking, including disabled bays on-site at the school.
- The venue has good disabled access and toilets.
- The venue is near to main bus routes and easy walking from the city centre.
- We will have a quiet area where you can take time out from the activity.

What will we be doing?

- Each workshop has a hands-on design and build element to it.
- Our activities are inspired by the Bloodhound 1,000mph Car and the innovative engineering and technology used its design.
- You can work at your own pace and have a break when you need to.
- We will also have colouring and quizzes available to do.

- There won't be any flashing images, or music playing but the sessions can be lively, and you may wish to bring along ear defenders just in case.

If we have to change anything, we will let you know at the start of the day.

If you still have any questions about the activity, you can contact us by using the details below:

Email: accounts@bloodhoundeducation.com

Telephone: 0208 1503767

Now you know who we are we would love to get to know you better. If you would find it helpful, you can fill out the 'All About Me' form in the link below. This will let us know how best to welcome you on the day:
