

All About Bloodhound Education

We are looking forward to meeting you when you come to our HAF activities. Below is some more information about us and what we do so you can have a better idea of what to expect at our workshops.

Who are we?

Our workshops are led by Pam and Rob, who are supported by our Bloodhound team and ambassadors. If you have any questions or worries during the day, they are there to help you.

Hi! I'm
Rob

Hi! I'm
Pam

Where are we?

We will be at Elmscroft Community Centre, Coronation Grove, Gloucester, GL2 0SS.

You can take a tour of the venue here:- <https://www.elmscroftcentre.org>

This is a view of the hall.

Accessibility Information

- There is a free park outside the hall with including disabled bays.
- The venue on the ground floor, has disabled access and toilet.
- We will have a quiet area where you can take time out from the activity.

What will we be doing?

- Our activities are inspired by the Bloodhound 1,000mph Car and the innovative engineering and technology used in its design.
- They are fun, hands-on design and build challenges.
- You can work at your own pace and have a break when you need to.
- We will also have colouring and quizzes available to do.
- There won't be any flashing images, or music playing but the sessions can be lively, and you may wish to bring along ear defenders just in case.

If we have to change anything, we will let you know at the start of the day.

If you still have any questions about the activity, you can contact us by using the details below:
